CAUTION: KEEP OUT OF REACH OF CHILDREN

Avoid contact with eyes, skin and clothing. May be harmful if swallowed. See FIRST AID for additional information. Read and understand the entire DIRECTIONS FOR USE and NOTICE OF WARRANTY before using this product.

FIRST AID

IF IN EYES: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lens, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.

IF ON SKIN OR CLOTHING: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice

IF SWALLOWED: Call a poison control center or doctor immediately for treatment advice. Have the person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person.

GENERAL INFORMATION

60/40 CROP OIL is a superior blend of highly refined paraffinic crop oil and non-ionic surfactants designed for use with a broad range of pesticides where a concentrated crop oil adjuvant is recommended. The typical use rate of this product is .25 to .75% v/v with herbicides, insecticides, fungicides, fertilizers and micronutrients. The addition of this product to the spray tank utilizes the penetrating, non-evaporating properties of a paraffinic crop oil and the wetting and dispersing characteristics of a surfactant blend. When used as directed, 60/40 CROP OIL increases the activity of herbicides by aiding in the deposition, absorption and retention of active ingredients on leaf and stem surfaces. Therefore, care must be taken on treated crops in treating crops during periods when plants are subjected to drought stress, high temperatures, and high humidity.

DIRECTIONS FOR USE

REFER TO PESTICIDE LABEL FOR SPECIFIC CROP USE AND APPLICATION RATES. Generally, use 1-2 quarts in 100 gallons of water or 1-2 pints per acre as required by the pesticide label. For best mixing results, fill spray tank half full of water, add pesticide components, and add 60/40 CROP OIL last and provide good agitation until tank is full. Prior to use, read and follow all directions on this label and on the label of the pesticide being used. The pesticide manufacturer's label for specific usages and restrictions have precedence over DIRECTIONS FOR USE referred to on this label.

STORAGE AND DISPOSAL INFORMATION

STORAGE: Store product in original container only, away from other pesticides, fertilizers, food or feed. Do not use, spill, or store near heat or open flame. Keep this container closed when not in use and take care to prevent any water from being introduced to the contents of this container.

DISPOSAL: Do not contaminate water, food or feed by storage or disposal. Triple rinse empty container and offer for recycling/reconditioning or dispose of in an approved sanitary landfill. Empty container may contain explosive vapors or hazardous residues. **DO NOT REUSE EMPTY CONTAINER FOR ANY PURPOSE.**

NOTICE OF WARRANTY: Seller warrants that this product conforms to the chemical description on the label thereof and is reasonably fit for purposes stated on such label only when used in accordance with the directions under normal use conditions. It is impossible to eliminate all risks inherently associated with the use of this product. Crop injury, ineffectiveness or other unintended consequences may result because of such factors as weather conditions, presence of other materials, or the manner of use or application, all of which are beyond the control of the Seller. **IN NO CASE SHALL SELLER BE LIABLE FOR CONSEQUENTIAL, SPECIAL OR INDIRECT DAMAGES RESULTING FROM THE USE OR HANDLING OF THIS PRODUCT. ALL SUCH RISKS SHALL BE ASSUMED BY THE BUYER. SELLER MAKES NO WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE NOR ANY OTHER EXPRESS OR IMPLIED WARRANTY EXCEPT AS STATED ABOVE.**
